To assist you...

in better understanding and utilizing the services of the Anaheim Department of Public Works, we have outlined a listing of the services we provide and their applicable rates.

Also listed are the appropriate development impact fees related to various infrastructure improvements that would be required as a result of development.

It should be noted that existing fees may be adjusted or new fees added from time to time.

Our department is always happy to meet with individuals to discuss any specific needs and requirements. Please do not hesitate to call us at (714) 765–5176 for assistance with any questions or concerns you may have.

We look forward to the opportunity of being of service to you!

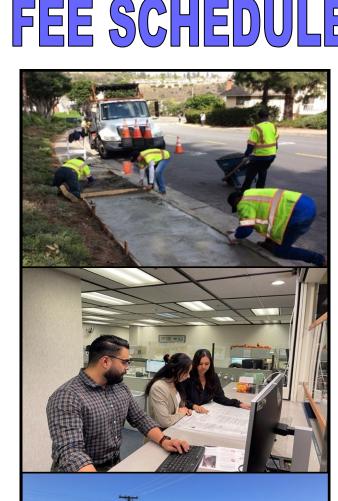

Rudy Emami

Director of Public Works
