**Subject:** Oranewood Avenue Improvements – SB 18 Consultation Memorandum for the Subsequent Environmental Impact Report Addendum

---

On Tuesday, May 25, 2021, the City submitted and initiated a Tribal Consultation List request for a list of California Native American tribes' contacts and a Sacred Lands File (SLF) search from the NAHC. On Thursday, June 10, 2021, the NAHC responded to the City's request and returned a populated Tribal Consultation List with California Native American Tribes' contact information for tribes that have traditional lands or cultural places within the boundaries of the county (Orange County), which the project site is located within. Additionally, NAHC returned results for the SLF and the results came back negative. The City wrote SB 18 notification letters to all of the tribes listed on the Tribal Consultation List that NAHC provided. The letters explain the proposed project, which includes General Plan amendments as part of this City initiated action. On Tuesday, June 15, 2021, the City emailed and certified mailed physical copies of these letters to the tribes on the Tribal Consultation List.
