

## CITY OF ANAHEIM NEIGHBORHOOD CLEAN-UP PROGRAM OVERVIEW & PROCEDURES

Join forces with your neighbors to enhance the cleanliness of your neighborhood! The City of Anaheim offers the opportunity for a neighborhood clean-up, complete with the provision of large dumpster bins, free of charge. This program is designed to help residents dispose of oversized items that cannot fit into regular trash containers.

This program shall not be used by homeowners for private use (i.e., home remodeling/improvements). Homeowners are encouraged to contact Republic Services for bin size options and price quotes that will suit their needs at (714) 238-2444.

### **HERE ARE THE GUIDELINES FOR THE NEIGHBORHOOD CLEAN-UP PROGRAM:**

#### **Who qualifies for this program?**

Any neighborhood, including homeowner's associations, within Anaheim city limits can partake in the clean-up initiative once a year.

#### **Logistics:**

Dumpsters will be delivered to specified addresses within the neighborhood on a Friday and collected on the following Monday, between 6:00 a.m. and 6:00 p.m. Bin placement is determined by our Neighborhood Services staff and clean-up organizer. Leftover bulky items, not accommodated by the bins, can be setup for a separate pick up upon notifying city staff.

#### **Coordination:**

The resident requesting the clean-up, will act as the organizer. They may recruit volunteers, preferably neighbors and other residents, to assist with hosting a bin for the duration of the clean-up or various tasks throughout the event.

### **RESPONSIBILITIES**

#### **Clean-Up Organizer:**

The petitioner is responsible for organizing volunteers (at least one per bin) to monitor bins during the clean-up. They will also distribute flyers advertising the event to residents in the neighborhood. Flyers will be provided by our Neighborhood Services staff at no cost and the clean-up organizer ensures proper monitoring to prevent hazardous disposals and overflowing bins.

**Volunteers:**

The City of Anaheim emphasizes the importance of safety as volunteers work to support their neighbors with the collection, loading, and unloading of bulky items and shall assume no legal liability should safety precautions not be followed by the organizer or volunteers recruited by the clean-up organizer.

Volunteers must be at least eighteen (18) years old. If any issue affecting the public’s safety arises, volunteers should contact the Anaheim Police Department. It's crucial for volunteers to inform the clean-up organizer when bins are full for prompt pickup. Carrying a cellular phone is highly recommended.

**Neighborhood Services Staff:**

Our dedicated staff will verify that the property owners contacted and listed by the organizer understand the expectations of the program during the clean-up. After confirming permission, free flyers advertising the event will be provided, along with coordination for trash bin delivery through Republic Services. The clean-up organizer will receive program guidelines, bin guidelines, hazardous materials procedures, and important contact numbers for use during the event. If the clean-up program doesn't suit your needs, consider the following alternative:

**BULKY ITEM COLLECTION**

To dispose of items like furniture, refrigerators, stoves, or water heaters, Republic Services offers a FREE bulky item pickup service. Each household is entitled to three bulky item pickups per calendar year, with up to 20 items per pickup. Schedule an appointment by calling Republic Services’ Customer Service line at (714) 238-2444. Be ready to list the items you need picked up.
